interest in live theater
to children of all ages

Our Mission

We believe that **Arts On Stage NY** program is an essential and basic ensuring that **NO CHILD IS LEFT BEHIND & EDUCATION** is the **KEY to SUCCESS**.

We offer “every child, every grade, every year” the opportunity to artistically, culturally and morally experience the joy of various curriculum based educational and entertaining programs through live professional theater.

Every child will experience the joy of developing a healthy appreciation that stimulate, encourage, educate and promote interest in Arts On Stage NY programs.

We implement theatrical plays, music, dance, drama that tie-ins into reading, writing, math, science, social study, arts that will help each student to improve their academic skills through professional theater field trips.

Organization Goals:

- to create positive changes in culturally diverse communities
- to build strong spirits, healthy minds and healthy bodies
- to enhance and to enrich the quality of life
- focus on youth and communities achieving results and goals
- to help children to build dynamic and creative leadership
- to expand the opportunity in arts, education and culture
- to be passion about our success
- to focus on children, families and culturally diverse communities to build a stronger society tomorrow
